THE TIGER 1939

NORMAN Phillips

ELKINS Hi.

In This ALBUM, the Tiger Staff

Presents

The Reminiscence

of the

1939 Senior Class

of

Elkins High School

Elkins, West Virginia

Our Album

As usual we present our Tiger once more
We think it's better than ever before;
But better or worse it's for the same end
A history of our school days thoughtfully penned.
Not just a book but a link with the past;
Not just words and snaps but live memories that last.
We hope all our readers will view it that way
Our old fashioned Album—our book of today!

Our Foreword

The other day we had the nicest bit of praise we've ever heard;
It was from a person who said, "I've read your yearbook—every word!"
It pleased us very much indeed
To know that someone would pause to read
Our small contribution, which shows
Our every day school life, its highs and lows.
We have tried to set forth in these pages
A record of our school life, in all its stages.
We show you our classes and our teachers,
Athletics, music, and our features
We think that personifies school life in every way!
Administration and the Tiger Staff.
Organizations—little highlights to make you laugh.
And, our biggest feature—the Tiger Queen,
Who, with her aides completes the drama on our screen
Of pages filled with memories of our school days.
Please, turn them one by one—and, for a short time—stay!

Our Parents

When we were very young, we started to school,
And—sitting gravely on a stool,
We learned to write—sister, brother—
But best of all—father, mother.
And during those younger days
And all along, in so many ways,
We've realized just how very much
Our parents mean to us, and such
A lot it is we are owing to them
And it's hard we are trying to show to them
That we do appreciate the things
They always do for us. It brings
Us up short and leaves us blinking,
You know you realize a lot—just thinking!

Our Administration

Like the officers of a ship
Sailing safely on a trip
Carefully steering by their course
Tracing trouble to its source.
Considerate of the wishes of the crew,
So well performing their duties that few
Ill winds or rough seas bother
Never getting in a "pother."
That describes our administration well, we think
The teachers' and pupils' connecting link.

Our Classes

They say that education is for the masses;
Therefore we now bring you all our classes.
You will view them one by one;
Some seem solemn but they all are full of fun.
For, of course, we study very hard
But—and well put, too, by some old time bard
"All work and no play makes Jack a dull boy."
So, sharing his opinion, we find a lot of joy
Tucked in with our work as we progress through our classes.
First as Freshmen—finally Seniors—how time passes!

Trade School

The purpose of Vocational Education is to train young men for useful employment. Before entering this twenty-four month course, these young men must have completed two years of high school education and selected a vocation for which they desire preparation before entering as trained craftsmen. The Elkins High School Vocational Division, one of the six divisions in West Virginia, was organized during September, 1937, with eight students; five more were added last fall.

After finishing the course, the student is awarded a vocational diploma. If the student has also completed junior English and American history, he may receive a regular high school diploma.

The morning classes of the Elkins Vocational School continue from eight to eleven o'clock during which time the students study mechanical drawing, blue print reading, mathematics, vocational English and wood-working science. Each individual does his own work, and a class discussion is held when necessary. No set time is made for the study of any certain subject, but all work must be completed by a designated date.

The afternoon classes begin at one and end at four o'clock. This time is spent in the wood working shop where cabinet making and mill work are done. Students do not work on individual projects but in groups much the way industrial organizations function.

The Elkins Vocational School has proved to be quite successful and has become an important factor in the education of this type of student. Elkins High School is quite proud of this addition to its curriculum.

Personalities

The snaps, the snaps, what would we do,
Without those snaps of you—and you?
The candid camera rides again,
With pictures new, and way back when.
If you will look, then you will see
Gene Hutton's beard, and, yessirree—
A four armed something—Bob and "Boots,"
But, watch yourself—the camera shoots!
And now there's Harriett of the sunny smile.
With wide straw hat, June sets the style.
Tom looks cornered, well he might,
While Teeney cheer leads—fight, fight, fight!
Henning of the magnetic eye—
Arbon poses—Betty is sly!
Well, well, there's Keim, the blocking tackle,
These are so hot the paper'll crackle!
And now the Moores, who look so nice;
And stepping fast, Virginia Rice.
Jimmy Carroll stands at ease;
There's Major Zumbrunnen, if you please!
Dorothy, caught in a cheerful grin,
Others snapped when they shouldn't have been—
For instance, Sarah in an embarrassing pose,
And Jimmy Woods looking down his nose.
Mary Margaret and Joan lead the way,
With Billy as Robin Hood—children must play!
Mr. Hamilton looks pleasant—he always is;
There's "Sour" saying, "He'll get his!"
Miss Ashby, a study in highlight and shadow,
Singing, "Take me down to Colorado."
Two lassies clad in evening dress.
Come on, Mr. Phillips—you'd better confess!
Of course there are others, important, too,
But we've just had time to show a few;
For candid cameras must work fast,
To get the snaps while situations last!

Class of 1940

Leafing through the old family album, we find many old daguerrotypes which recall the happy memories of our freshman and sophomore days in Elkins High School. We contributed many outstanding members to the various departments of the school in our first two years. In athletics there were five letter men; in the music department we sent five of our number to Huntington in the All-State Band; and some of our honor grade students prove that we have brains.

Turning another page, we find our class as juniors publishing one of the best "Tiger Cubs;" helping present the "Tiger Frolic," and sponsoring "Stunt Nite." Ziegfield himself could not have glorified more girls than we did that night.

The Junior Council was elected; and surely no better executive ability could be found than that shown by Joseph Mams, Sarah Harman, Betty Haas, Geraldine Heltzel, Paul Dornblazer, Wallace Rohrbaugh and Harry Scott, the first four of these being the regular class officers. We are well represented in the band with three of our fair femmes—Reba Lambert, Marie Harwood and Virginia Fulk—sponsors and Wallace Rohrbaugh who expertly twirls the baton.

At the time the history was written only half the school year had been completed; but we know we will present the Junior-Senior Prom.

Our class is ably guided by our sponsors, Miss Elva Harris, Miss Elizabeth Moore and Mr. James Green.

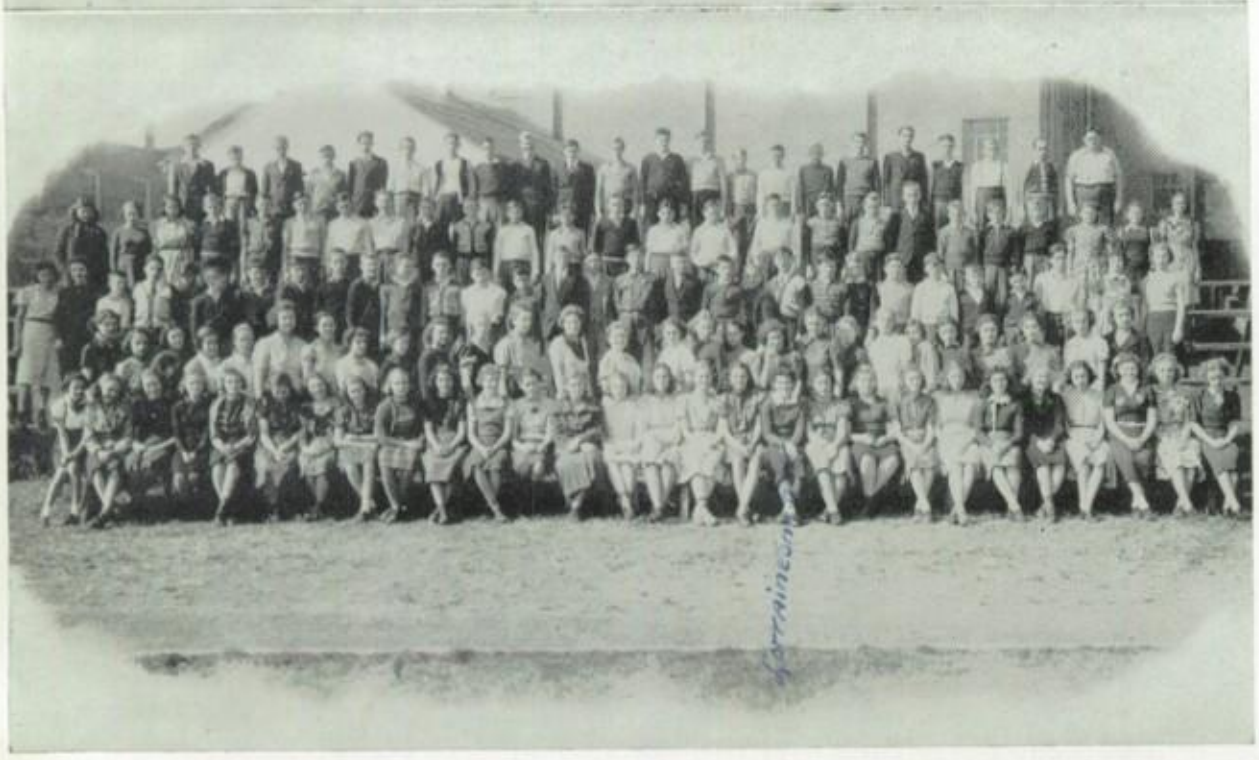
Sophomore Class

The Sophomore Class, feeling that we now fill an important place in Elkins High School, started the year by electing the following class officers: President, Harry Phillips; Vice-President, Charles Rennix; Secretary-Treasurer, James Rice, and cheer leader, Marjorie Lanham.

We have every reason to be proud of a class that has several members on the honor roll; five lettermen in football, and won the prize given for the best stunt at Stunt Nite by presenting the play "Wild Nell, the Pet of the Plains."

Our class assisted the freshman and junior classes by helping stage this year's "Tiger Frolic." In fact we are a class that is always on the job, and we are willing to help anytime we can.

We are looking forward to an outstanding era as next year's progressive juniors under the supervision of our class sponsors, Miss Irene Eib, Miss Mabel Woodward, and Mr. Carl Moore.



Freshman Class

On September 6, 1938, we, the largest class ever to enter Elkins High School, started our four-year journey. For the first few days we were so bewildered we could scarcely find our way around.

Soon, however, we entered with a will into school life by electing our class officers as follows: President, Charles Kyle; Vice-President, Zan White; Secretary-Treasurer, Carl Payne, and a bundle of energy, Loraine Snyder, as our cheer leader.

We have accomplished much which disproves the idea held by the upperclassmen that we are below their notice.

We have contributed two lettermen to the football squad; we gave a dancing act at Stunt Nite; more subscribed than any other class to the "Tiger Cub," and in addition we have had a greater number of students on the honor roll than any other class.

We firmly believe that Elkins High School should be proud of its 1939 Freshman Class.

Our class advisers are Mrs. Irene C. Wimer, Mrs. Anna C. Moore and Mr. Jesse Stewart.

Those Who Have Worked

The Tiger Staff realizes that it is impossible to write a year book that would please every one in every way. However, they have put forth their best efforts to make a book which will be of interest to the majority of people.

Much credit is due to the staff which has labored the entire year to publish this book. Loud praise should be given to the editors, Jeanne Albert and Margaret Mauck, who have worked untiringly doing the many tasks connected with editorship.

The true credit goes to Miss Cleo Digman, supervisor of the staff, for, she is the essential figure in the publishing of the "Tiger." The staff was chosen by Miss Digman last fall and since that time she has worked daily in order to make the project successful. She has willingly and wisely guided the staff through the entire year, giving valuable information and help to any who need it. The Tiger Staff, as well as the Senior Class, wishes to thank Miss Digman for her kind and constant supervision in helping to make this year's book a success.

Though the entire staff should be given full recognition for all they have done, we feel that special mention should be made of Dorothy Perkins; for she, as co-editor of the feature sections, has vividly portrayed her artistic ability in planning the features of the "Tiger." She also wrote all the poetry found in this book. The staff and the Senior Class recognize Dorothy's ability and wish to take this opportunity to thank her for her fine cooperation with the staff and her excellent contributions to the "Tiger."

Aides to Queen

Our Organizations

"Variety is the spice of life," they say
Our high school has it, in every way
Personified in our organizations—there are many,
Though we'll admit, that, once, we hadn't any!
National Honor Society and Junior Academy of Science for the wise;
The Student Council, which faithfully tries
To help in governing and improving the school.
Hi-Y, the boys' club, making clean living one of its rules;
B. I. P., for girls—one of the school's finest clubs.
The G. A. A., for Athletic girls—their stars of today were yesterday's scrubs.
The F. H. A., among other things, its members cook!
And, last, the Tiger Staff which writes this book.

ORGANIZATIONS

National Honor Society

The Fasces Chapter ot the National Honor Society of Elkins High School was organized during the school year of 1934 with twenty charter members. Since that time on the second Wednesday of every February, new members are taken in. These members are chosen scholastically from the upper third of the junior and senior classes. They are selected by the faculty according to scholarship, leadership, character, and service.

The total membership of the society is now one hundred and one; sixty-five of this number have continued their education in institutions of higher learning either in this or some other state.

Officers for the first semester were President, Margaret Mauck; Vice President, Harriett Whetsell; Secretary, Jeanne M. Albert; Treasurer, Carl Mams. New ones were chosen for the second semester.

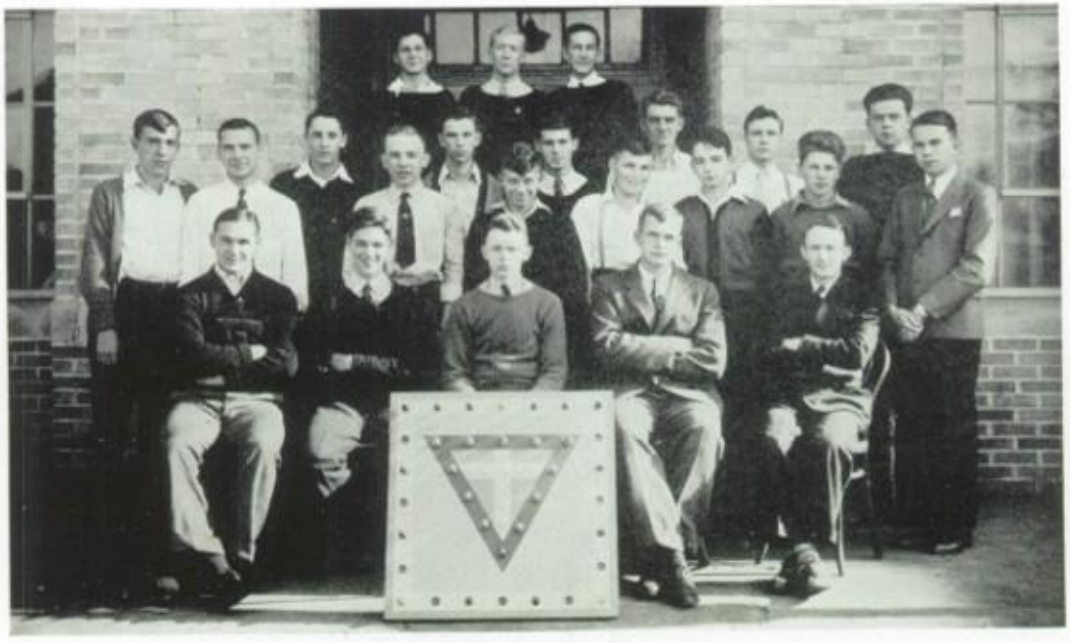
The Student Council

Although known as the Student Council, the full name of this organization is "The Student Government Association of Elkins High School." Its members are elected from the four classes and various school organizations. Mr. Hamilton, our principal, is the sponsor, and Mr. Powers is the faculty adviser.

The main endeavor of the council is to be truly representative of the school. It is always ready to assist the principal and faculty in any way possible.

The council has been quite active this year, not only in carrying out the routine duties such as running the Lost and Found department, ushering visitors, caring for building and grounds; but also it has revised its constitution to make the council a more effective body. Several projects have been effected to raise money for the council's expenses.

The officers are President, Arbon Lang; Vice-President, Robert Gross; Secretary, Sarah Harman; Treasurer, Paul Dornblazer. They have all done well this year and have the hearty support of the council.



Hi-Y

The Elkins Hi-Y Club was formed in 1917 for the purpose of creating, maintaining, and extending throughout the school and community higher standards of Christian character.

The Hi-Y Club is now composed of twenty-three boys and a sponsor. The club stands for clean speech, clean sports, clean scholarship, and clean living.

This club is a member of the National Fellowship, West Virginia Fellowship, and the Monongahela Council of West Virginia Hi-Y Clubs. Austin Henning, our club president, is also president of our council and our state organization.

The Elkins Hi-Y Club has several projects that are intended to help the school and community. Among these is the conducting of the devotionals at the weekly school assembly. For two years the Elkins club has given food and toys at Christmas time to the needy. Also, an annual project is the sale of Hi-Y bonds as an investment for the youth of West Virginia. A new project this year was the abolishment of the old fashioned initiation. This was the first club in our high school to abolish initiation, but we hope it will prove to be a worthy example which will be followed by the other school clubs.

The club entertains with many social activities throughout the year. Among these are the semi-annual banquets which we think are highlights as they tend to foster friendship between the boys of the Hi-Y Club and their fellow students.

We feel that the Hi-Y Club, at least in a few ways, attains a part of the goal intended for it to reach. The officers are President, Austin Henning; Vice-President, Thomas Ross; Secretary, Robert Gross; Treasurer, Carl Mams; Chaplain, Wallace Rohrbaugh.

B. I. P.

This year the B. I. P., the oldest and most prominent girls' club in high school, has had one of the most successful programs in the history of the club.

In September fourteen junior and senior girls lost their dignity for three days by being initiated into the B. I. P. Club. After the inception of new members the first thing these energetic girls did was to transform a dusty office into an attractive club room. They then sponsored the jolliest of parties, a "kiddie dance." They won second place in Stunt Nite when "Ferdinand, the Bull" cavorted for them. These girls trimmed the trees which brightened the auditorium for the Christmas assembly program. Through the B. I. P. certain families had a merry Christmas dinner which they otherwise would not have had. These girls and the Hi-Y boys held a hilarious "Time Mooches On" party. Carrying out the custom of former years, these girls presented a good comedy for their assembly program in January.

Every year the B. I. P. sponsors one of the nicest dances of the school year, the B. I. P. "Spring Formal." They also hold an election dinner dance during May. Small wonder that the twenty-one girls are proud to say, "I am a member of the B. I. P." Miss Elizabeth Moore, the sponsor, can well be proud of the work of the club.

The officers are President, Harriett Whetsell; Vice-President, Jeanne Albert; Secretary, Margaret Mauck; Treasurer, Betty Kerr.

Future Homemakers Association

The Future Homemakers Association was organized by a group of girls from the home economics classes with Anna Cheeseman Moore as sponsor and Mary Jane Marquette as president.

The club prepared cold lunches and sold them at the lunch hour. With the profits from these lunches the club sent the retiring president and the new president, Vaiden Cunningham, to represent their club at the state meeting of Future Homemakers at Oglebay Park, Wheeling, West Virginia. Mary Jane Marquette was elected state treasurer for the year 1938-39.

New members were taken into the club in October, 1938. To be eligible for membership in this club, one must have completed or be completing two years of vocational home economics.

In October, 1938, the F. H. A. members started on a new project, that of serving hot lunches. This worthwhile project has proved successful as it has been helpful both to teachers and students who remain at school during lunch hour. The profits from this project will be used to send representatives to the state meeting again next year. A pin, characteristic of the work of the club, will be selected at that meeting. Members who have fulfilled their duties in the club work will receive a pin next fall.

The officers are President, Vaiden Cunningham; Vice-President, Anna Moore; Secretary-Treasurer, Virginia Sleeth.

G. A. A.

The Girls' Athletic Association, symbolic of sportsmanship, loyalty and fairplay, has during a very short time become outstanding in the activities of Elkins High School.

The G. A. A. was organized in 1935 with twenty five charter members chosen from the gym classes. These girls were selected for their sportsmanship, cooperation, and attitude of fair play.

During the school year the G. A. A. sponsors several outstanding activities, one of which is the annual May Fete. Nine senior girls are chosen by the G. A. A. members. From these girls the student body elects the May Queen; the other eight girls are princesses. Another activity this club sponsors is a "Spring Formal," held before the May Fete. At this time the May Queen is announced.

The G. A. A. has a basketball team which has been quite outstanding this year. They also participate in other athletic contests such as volley ball, kick-pin, tennis, and basketball.

Miss Louise Sleeman, girls' athletic director of Elkins High School, is the G. A. A. sponsor.

The officers for the school year 1938-39 are President, Virginia Rice; Vice-President, Noala Burke; Secretary, Ruth Grimes; Treasurer, Dorothy Lowery.

Junior Academy of Science

The Elkins Chapter of the West Virginia Junior Academy of Science, one of the educational organizations of Elkins High School, was organized in 1936 by the science teachers of this school. The club is now under the supervision of Mr. Eugene Hutton, Mr. James Green, and Mr. Carl Moore.

The purpose of this organization is to provide for further study in the field of science among the students of Elkins High School. Its membership is available only to high ranking students who are taking or have taken a science course in high school.

Included in the club's plan of work is a tour to some point of interest in the state. Each year the academy sends representatives to the state convention which will be held at Charleston this year.

Austin Henning, the efficient president, has done much toward advancing the interest and work of the club. He is also vice-president of the State Junior Academy of Science and this year had the distinction of being the only high school student to attend the meeting of the American Association for the Advancement of Science held at Richmond, Virginia.

Due to careful organization, good leadership, and increasing interest, the Elkins Chapter of the Junior Academy of Science has taken a very prominent position among the organizations of our high school.

The officers are President, Austin Henning; Vice-President, William McCauley; Secretary-Treasurer, Jeanne M. Albert.

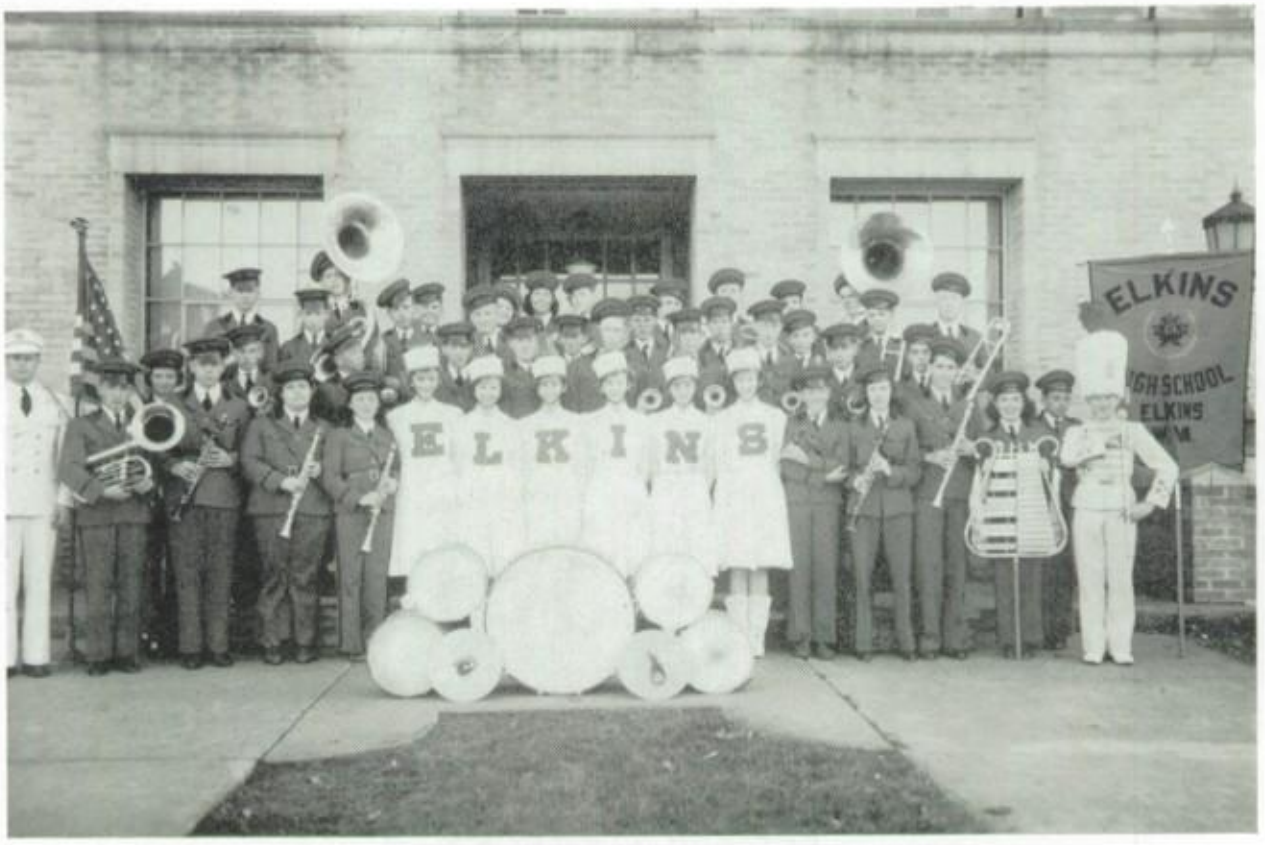
Our Music

Music soothes the savage beast,
Music's to jitterbugs what bread is to yeast.
Soft notes to soothe
Low notes to smoothe
Ruffled feelings or lovesick souls.
Music in pictures, dramatized stars' roles.
The blare of the band
Makes everyone stand
With high-flying spirits—hat in hand,
While the orchestra's classics and harmony
Would make a divorcee forget alimony.

MUSIC



On Parade

The band stepped out in splendid marching form this year under the direction of the new instructor, Mr. Leland Westfall. They also have a new drum major, Wallace Rohrbaugh, who with his pep has given the organization plenty of snap.

The band is most outstanding on the football field. There the members parade between the halves of every game. Thus they add color and arouse enthusiasm among the spectators. This group of musicians does not end its entertainment on the football field for it adds greatly to the gay spirit of the basketball games and the tournaments; plays for all high school assemblies and aids any civic organizations when asked to do so.

This year the band is planning to attend the State Band Festival at Huntington in early May, where it will compete with the other bands of West Virginia. Another event on the band calendar was a concert held February 23 at the central school building.

At the beginning of the year six lovely girls were chosen as sponsors for the band. They wear white uniforms with orange letters spelling "Elkins" on the front. With their white boots and high orange plumed hats, they greatly add to the vim and vigor of the band. These sponsors are Virginia Rice, Reba Lambert, Marie Harwood, Naola Burke, Virginia Fulk and Ann Chambers.

Elkins High School is very proud of having one of the outstanding bands in West Virginia.

Girls' Glee Club

The Glee Club this year has taken a very important step forward in reaching an important place in the school curriculum. In spite of getting a late start, the members learned that they are the largest Glee Club Elkins High School has had for several years. There are fifty two enrolled in this worth while project.

These members were divided into two classes which meet at nine and ten o'clock on Mondays and Thursdays. The accompanists are DeSales Purkey and Mildred Doerr.

The members of the Glee Club, who are seniors and who have had two years' work, will receive music letters. It is agreed, we are sure, that these girls are deserving of this reward.

The attention of the student body was focused on the Glee Club when it presented two numbers on an assembly program given by the music department.

Mr. Westfall, the director, is looking forward to having larger Glee Clubs next year among both boys and girls so that even more may be accomplished than has been this year.

Frank C. Kleiner

ATHLETICS

Our Coach

Our coach, Mr. Frank C. Wimer, started teaching in Elkins High School on December 19, 1918. He returned to West Virginia University in September, 1919, and completed his work on an A. B. Degree on February 5, 1920. After this he returned to Elkins where he again assumed his temporarily abrupted teaching duties. He started coaching in the fall of 1920 in addition to his teaching. He has taught physics, chemistry, geology, algebra, history, civics, and many other subjects while he has been with us. He completed work in both Columbia and West Virginia Universities in 1936 for his Master of Arts Degree.

When Mr. Wimer first started coaching at our school, we didn't have a football field or a basketball court. Football was practiced and played in an open field back of the school house; basketball was practiced and played at the Y. M. C. A. The first few years he was coach Mr. Wimer took the boys to a football camp near Cheat River, where many learned to their dismay that profane language would not be used on an Elkins High School team.

Our coach is rated as one of the best in West Virginia. He has attended coaching schools of such well known men as Knute Rockne, Walter E. Meanwell, Fielding H. Yost, Wallace Wade, H. C. Carleson, Bernie Bierman, "Chick" Davies, "Jock" Sutherland and "Little Sleepy" Glenn.

Our stadium was built in 1936 at a cost of about four thousand dollars. This was accomplished as a result of much work by Coach Wimer. It was named the Wimer Stadium as a compliment to our coach. Our present gymnasium was built when the high school was erected.

Mr. Wimer has had several champion teams in both football and basketball.

We won the football championship of West Virginia in 1928 and were awarded second place in 1929, the only year the State Board of Appeals rated the teams.

The basketball championship has been annexed twice since Mr. Wimer has been coaching in our school—in 1926 and 1935. We have had many other good teams during the past years.

Elkins High has had many outstanding athletes. Some of which are All-American "Biggie" Goldberg, "Big Sleepy" Glenn, "Little Sleepy" Glenn, "Bud" Shelton, "Chick" Harding, Clay Martin, "Squint" Phares, Albert Biasi, Yost Cunningham, and many others.

Coach Wimer has had nineteen successful years in our school and this year's Tiger staff sincerely wishes for him as much glory in the future as he has had in the past.

LETTERMEN

FOOTBALL

CARL MAMS, co-captain, has played regular end for three years and was all conference end this year. Carl has been one of Elkins High's outstanding ends for the past several years.

ERNEST CAMPBELL, co-captain, has played both tackle and guard and was a member of the North team in the North-South football classic this year. He has been a dependable all around athlete.

ELWOOD GOODMAN has been the outstanding back on our team for the past three years and was regular end while a freshman. He is one of the fastest and largest backs we have ever had at Elkins High.

JUNIOR SHEETS developed into a fine guard this year and was a good blocker and fine defensive man.

ROBERT HAYES played a very good game at center on both the offensive and defensive. He backed up the line well and was good at breaking up passes. His passing was above the average.

SCOTT HOCKENBERRY is one of the lightest backs in the history of the school; yet he was six feet tall, but very tough and never seemed to get hurt. Scott was a fine forward passer, a good blocker, a strong defensive man, and a fair ball carrier.

ARCHIE BECK played a very good game when he was substituted for Cox at fullback.

ROY COLLINS, playing his first football, did very well when he got into the game.

DERRILL FERGUSON, playing his first football, showed great promise and played well when inserted into the lineup.

LEE NOEL played a good game at guard and would have been in there more if he had had more experience when the season began.

BRUCE MERO and HADREN SPICER were better than average managers and will be missed next fall.

The following were also lettermen:

Willard Collett	Robert Galkowski	Thurman Isner
Robert Corrick	Raymond Satterfield	Charles Rennix
Glenn Skidmore	Jack Lowery	Neil Lothes
Luke Varchetto	Joe Mams	Tony Tucci
James Cox	Leland Everett	

Our cheerleader this year is Christine Haggerty Weese.

BASKETBALL

CAPTAIN CARL MAMS, playing his third year as a regular, is one of the best defensive guards Elkins has had. His ability to intercept an opponent's pass is uncanny. Carl was picked as guard on the All-Sectional Tournament team and won second place in the foul shooting contest in the Tourney.

ERNEST CAMPBELL, playing his second year as a regular, was one of our best offensive men on the fast break. He had remarkable speed and shooting ability for a man six feet three. Campbell finished at the mid-year.

SCOTT HOCKENBERRY, while playing his first year as a regular, proved to be a fine all-round performer and when he graduated at mid-year along with Campbell our team was greatly handicapped by lowered team scoring power.

WILLARD COLLETT, a sophomore, who is playing his second year as a regular, has been the main scorer of our team during the second semester. Collett was picked on the All-Sectional Tournament team because of his improved defensive work.

JAMES COX, regular forward, is playing his first basketball outside of gym classes. Cox is the surest shot on the squad and has great speed but is somewhat handicapped by his lack of reach.

JAMES RICE, sophomore forward, is a fine rebound man and a good shot but is handicapped by small size.

ROBERT GALKOWSKI, sophomore, is playing his first basketball as a regular and is one of the best fighters on the squad. He is a big, rugged boy, and should develop into a good player.

ELWOOD GOODMAN, junior, has never played much until this year but has developed into a fine defensive man. His coolness undoubtedly won the Parsons game here.

ROBERT GROSS, senior, never reported for athletics before but has made good progress. With more experience he should develop into a fine player. He has great speed and plenty of fighting spirit.

JACK LOWERY, freshman, has played most of the games as a regular and should develop into a fine player before he is through school.

CLAIR ULLOM, junior, who came to Elkins from Cameron High School in the middle of the year, is the fastest man on the squad and has put lots of pep into our green team.

EDWARD SHAFFER, a junior, has possibilities of a fine forward with a little more experience.

JOE MAMS is developing into a good guard and is one of the most scrappy players in school.

FRANKLIN TIANO and DALE WEESE have proved to be good managers.

CHRISTINE HAGGERTY WEESE has been a fine cheer-leader as proved by the fact she was chosen the best cheer-leader at the Sectional Tourney and again at the Regional Tourney.

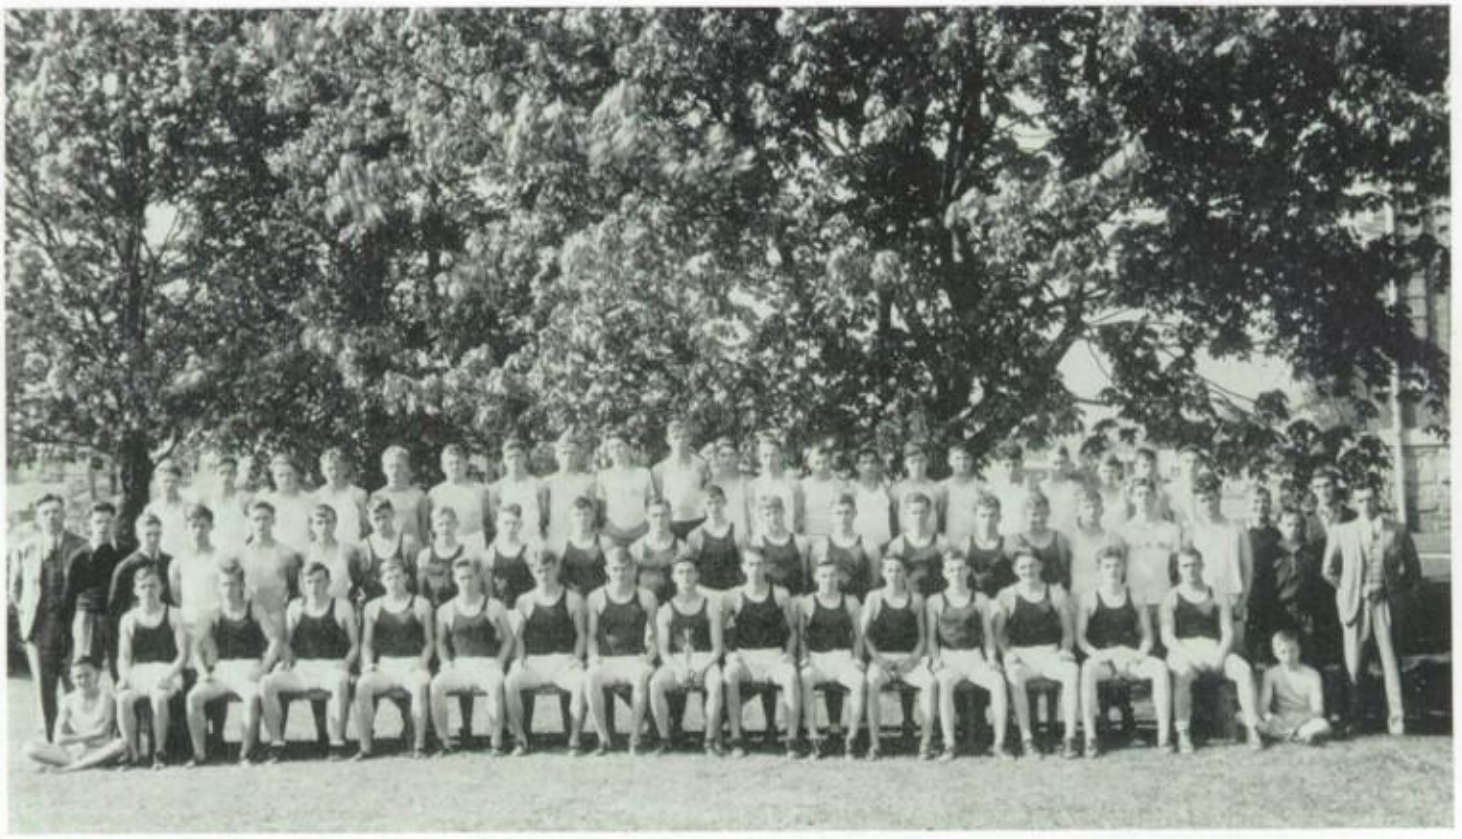
Our Basketball Team

Team, we can't help it, we've got to get it off our chests—
Fellows, Elkins High thinks you're the best!
You have the spirit, the spunk, and the fight—
You showed it at Grafton that eventful Friday night.
We knew you were grand and you've doubly shown it now;
Elkins High teamsters, before you we bow!
To Captain CARL MAMS we owe an unparalleled debt.
His unfaltering leadership, none of us can forget.
ERNEST CAMPBELL, lanky, a fine center and sport,
JAMES RICE, forward, showing his value on every court.
WILLARD COLLETT, forward, tall, slim, our "hot shots" man,
ROBERT GALKOWSKI, find a better guard if you can!
SCOTT HOCKENBERRY, forward, loyal, true blue,
JAMES COX—we're proud of him as a forward, too.
ELWOOD GOODMAN, a strong guard and sturdy player;
And ROBERT GROSS, center. Find a boy who is gayer!
JACK LOWERY is an all around guard,
JOSEPH MAMS, there's a boy who plays hard!
EDWARD SHAFFER, forward, though not much in girth,
Has, like CLAIRE ULLOM, proved his worth!
And no team is complete without its managers—
Ours are DALE WEESE, and FRANKLIN TIANO.
And there folks, you have them—our boys are on top;
You know—we all know—they're the cream of the crop!



The Speed Sportsters

The track and field squad of Elkins High School started its 1938 season very successfully by winning over a strong Alumni squad by a score of 156½ to 92½. Again the Tigers kept their record clean by defeating the strong Valley teams with 60 points while East Fairmont ran a close second with 56½ points.

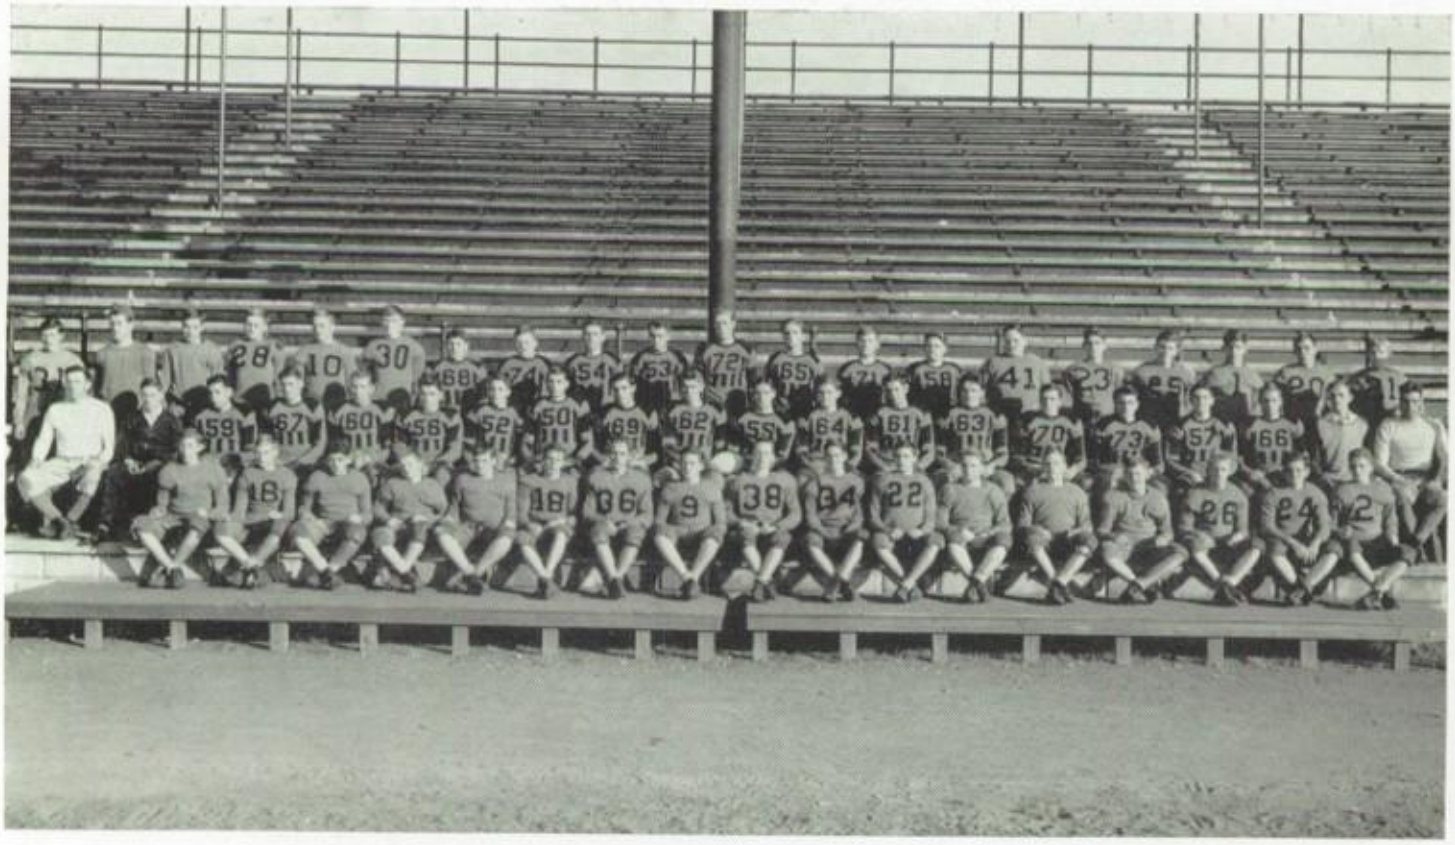
The following week Elkins came in second among the powerful Big Ten teams. Morgantown was first with 78 points while Elkins came in second with 60 points.

The last meet held in the Wimer Stadium was the Sectional Meet where the Wimermen won a decisive victory with 103 points, while Grafton was second with 77 points.

The Tigers entered in the Annual State Track meet at Morgantown.

We feel sure that Captain Elect Elwood Goodman and his co-workers will have a very successful 1939 season and we wish them the best of luck in this undertaking.

"Hank" Collins



Heroes of the Turf

Elkins High School Tigers started the 1938 football season at an early date with Charleroi, Pennsylvania, one of the few out of state teams Elkins has ever played, where they lost to the strong Pennsylvania eleven 14-0. They returned to Elkins on Saturday and beat an inspired Alumni eleven 12-0 on Monday. They won two victories from Belington and Parsons 33-6; 38-6 respectively.

Victory upset Elkins by a score of 14-13, although the yardage was in favor of Elkins. Elkins started on a winning streak by defeating a powerful Weston team 12-0; a mighty Buckhannon team 19-7; a hard driving Shinnston team 12-6; and a "razzle-dazzle" Davis team 26-6.

Elkins, after resting one week-end, lost to a powerful Morgantown team 6-0 at home. The Tigers completed one of the most successful seasons in several years by defeating a good East Side Fairmont team 26-0 at the Wimer Stadium.

Intramural Sports

In the girls' physical education classes kick-pin, volleyball, basketball, softball, and track are featured. The girls are divided into teams which compete with each other in tournaments held at noon in the gymnasium. Each girl receives a certain number of points on her athletic award by participating in these tournaments. Any girl having three hundred points receives a large E; any girl having one hundred seventy-five points receives a small E.

For the boys' physical education, soccerball, volleyball, basketball, and softball are the main sports. After two months of practice in each sport each class has a tournament to determine the team to enter the inter-gym tournament. All six gym classes compete for the inter-gym championship which is held at noon in the gymnasium.

These sports help our high school to take care of a state requirement—four years of physical education for every student.

Au Revoir

We, the Senior Class of Elkins High School, before saying our final good byes, wish to express our appreciation to all those who have so willingly helped us during our high school days.

To our sponsors, Miss Velma Bell, Miss Marguerite Goodwin, and Mr. Eugene Hutton, who have so willingly and untiringly helped us at any time we requested, who have guided us wisely through our trials and tribulations, we give our heartfelt thanks.

We wish to express our deep appreciation to Mr. Henry Hamilton, our principal, and Mr. J. B. Bruffey, our assistant principal, for providing the superior atmosphere in this our school and for their kind and everlasting guidance in times of need.

No school can exist without a faculty. We think we are very fortunate in having such an excellent group of men and women for ours. We realize that they have labored long and hard in order to fit us for the future we now face. Their patience and kindness we shall never forget.

Our fellow students of the junior, sophomore and freshman classes have given us, through their companionship and cooperation with us, much joy and have imbedded in our hearts a true friendship.

Then there are the two custodians of our school, Mr. Boyd Lang and Mr. Hyder Phillips, to whom we owe much; for they are the ones who labor from early morning until late at night in order to keep the school clean and warm. They are always ready and willing to help us when their services are needed. The well known line, "A friend in need is a friend indeed," suits them well. So, to you Mr. Lang and Mr. Phillips, we wish to express our profound thanks.

It is with a mixed feeling of pride and joy, yet great sadness, that we say Au Revoir to our Alma Mater.

On leaving—
Comes now a pause—
Does the world wait?
It must, because
The bustle has abated;
Even the most hardened boy
Or girl must feel that some joy
Has fled—one can never recapture
The atmosphere and rapture
Of high school work and play,
With the happiness and sorrows of every day.
And now we are standing on the threshold
Of the world's mansion—it unfolds
The carpet of life, leading to its door,
And we stand for a moment, poised, before
We step through into the hall within—
Hesitating—for then—a new life will begin.

Annual Senior Play, "The Prize Family"

By H. J. Essex *and* Sid Schwartz

Ma Perkins	Margaret Mauck
Will Perkins	James Wood
Una Perkins	Jeanne M. Albert
"Bobby" Perkins	Josephine Preysz
Doc Piper	Thomas Ross
Kenneth Scott	William Lowery
Pinkie	Junior Corley
Boyle	Lewis Buzzell
Dr. Kipper	Charles Zumbrunnen
Mary	Elizabeth Kerr
Bertha	Betty Jean Keim
Lulu	Elizabeth Mero
A Sobsister	Betty Anne Durrett
A Camera-woman	Pauline Right
Mrs. O'Leary	Harriett Whetsell
Radio Announcer	Norman Phillips

The story of the play centered around the Perkins family—the members of which were intent on guessing the winning titles of one hundred puzzle pictures for which the grand prize was one hundred thousand dollars. Home, school, and friends were neglected in their strenuous pursuit. Unexpectedly the author of the contest, Kenneth Scott, came to the Perkins home to room and fell in love with Una Perkins. The parents urged their daughter to get the answers from Scott by fair means or foul.

To add zest to the story two gangsters, looking for easy money, followed Scott to the Perkins home where they posed as authorities on a rare flower that was being raised by Doc Piper, another roomer in the Perkins home.

When the answers to the contest were stolen from Scott's room, he suspected Una and they quarreled. However, the answers were false ones prepared for such an emergency; therefore none of the household compeers won. Una proved her innocence and she and Scott were sweethearts again. The Perkins family turned the gangsters over to the police, declaring they were through with contests forever, but when Bobby dashed in reading the announcement of a new contest, the whole family rushed madly for the paper and feverishly started guessing the answers.

The play, skillfully directed by Mrs. Charles E. Albert, is full of delightful surprises and many comical situations. It is especially opportune in the present day craze for contests. The senior play is sponsored annually by the class advisers who this year are Miss Marguerite Goodwin and Miss Velma Bell.

Assembly Programs

Every year Elkins High School presents some good assemblies. During 1938 and 1939 several outstanding programs have been given. One of these was a Thanksgiving play presented just before the holidays. At that time several students, under the direction of Miss Emily Barry, portrayed the true Thanksgiving spirit in "A Thanksgiving Conspiracy." This was a story of a grouchy old man who was disinterested in celebrating Thanksgiving; but his household finally persuaded him to see the true spirit of the holiday.

The students always look forward to the annual Christmas play. This year Miss Elizabeth Fling directed "Just What They Wanted," which proved to be one of the best of the year. This play involved the holiday worries of an absent minded man, his young wife, and their neighbors. Presents were lost; presents were forgotten, and others were found when they were supposed to be well hidden. However, things finally worked out. Every one got just what he wanted and a Merry Christmas was had by all.

Another outstanding play was given by the B. I. P. group on January 25, at which time an all girl cast presented "A Box of Trouble." This play proved to be very humorous and highly entertaining. Two old maids got themselves into quite a bit of trouble when they bought a box at an unclaimed auction sale. Much to their surprise the box contained bottles of liquid that gave one a suspicious fear; but the ladies' worries were over when the contents proved to be nothing but mange cure.

These assembly programs help to show that Elkins High has a great deal of talent which is gradually being brought into the limelight. We hope that in future years dramatics will become an outstanding factor in our school.

Appreciation

At this time we wish to express our sincere appreciation to the patrons of our school who have advertised in our 1939 Tiger.

ADVERTISEMENTS

Originality is a quality of the imagination. It is the ability to take the usual elements of picture and story and present them to your student body in a new, different and interesting fashion. Our School Service organization has long been noted for its true originality in Year Book planning.
